SYNCOPATION

RHYTHMIC BLEND

TASTING NOTES

A full-bodied, fruit forward red, with soft tannins and bright acidity. Cranberry and distinct rose petal aromas, with raspberry notes and a slight hint of dried spice on the finish.

Pairs well with chicken, pork chops, dishes with mushrooms, such as wild mushroom risotto, and mild red sauce pasta dishes.

INSPIRATION

In the rhythm of music, the element of surprise is called syncopation. A syncopated rhythm is a delightful surprise to the ear. Blended with a rhythmic triplet of grapes, Syncopation wine is a delightful surprise to the palate.
